RAILWAY RAMBLERS

This document was designed to help walk leaders provide the information that members have asked for in the club's walk programmes. If you are using the version created in Microsoft Word, the boxes on the right will expand as you type in them.

'Optional extras' are car parking details, grid references for obscure locations, an assessment of walking difficulty, and estimated finishing time. The location of the lunch stop, if known, enables members who miss the start to catch up at a known place.

Walk Leaders' Template	
Day and Date	
Title of Walk *(optional)*	
Start and End Points	
Approx. Distance *(in miles)*	
Early Exit Point(s) *(with mileages)*	
Meeting Place and Time	
What's Special About This Walk? *(Try to 'sell' your walk so that people will want to join)*	
Special Requirements *(Tunnels might require hard hats and torches; wet ground conditions require suitable footwear)*	
Lunch Arrangements	
Travel Arrangements *(How to get there and how members will get back to the start)*	
Map Numbers *(OS Landranger and/or Explorer series)*	
Walk Leader(s)
